Notice Concerning the Construction of a New Plant in Mexico

The Company would like to announce that it has decided to build a new plant in Mexico in response to the increasing automobile production in the country.

1. Background

Our subsidiary in Mexico, Nifco De Mexico S. De R.L. C.V., was established and fully financed by Nifco America Corporation, our subsidiary in the United States. It has been operational in Chihuahua, Mexico since August 2006. As Japanese automakers expand their businesses to central parts of Mexico, we have decided to launch a new plant in the State of Guanajuato in order to meet their expected needs. This plant will be our third manufacturing plant in Mexico.

2. Outline of New Plant

- (1) Company name: Nifco De Mexico S. De R.L. C.V.
- (2) Lines of Business: Manufacture and sale of plastic components
- (3) Plant Location: Silao, State of Guanajuato, Mexico

3. Effect on the Company's business

The effect on the consolidated accounts of the Company for the year ending March 2012 will be minimal.
